

REMARKS

Further to the Examiner's Amendment and Notice of Allowance dated May 19, 2004 applicant submits herewith the aforementioned amendments to the specification and drawings in order to correct minor typographical errors and provide uniformity between the same. No new matter has been added.

More particularly, Figure 2A has been added to the drawings and a reference to same has been included in the brief description of the drawings. Support for Figure 2A is at least found on page 11, lines 4-15 of the application as filed.

In addition, a description of Figure 10 has been added to the brief description of the drawings in order to accurately describe Figure 10 as filed in the present application.

The brief description of the drawings on pages 5 and 6 has been amended to correct a typographical error namely, changing 10 to 11 and 11 to 12. No new matter has been added. The specification on page 1, line 17, has been amended to include the complete number of the referenced patent which was included in the information disclosure citation filed in the present application.

The specification on page 13, line 14 and line 16 has been amended to correct typographical errors.

In view of the above amendment, the previous examiner's amendment and the discussion relating thereto, it is respectfully submitted that the present application is in condition for issuance. Such action is most earnestly solicited. If for any reason the Examiner feels that consultation with Applicants' attorney would be helpful in the advancement of the prosecution, she is invited to call the telephone number below for an interview.

If there are any charges due with respect to this Amendment or otherwise, please charge them to Deposit Account No. 06-1130.

Respectfully submitted,

By:
